

**THE TOWNSHIP OF FARADAY
NOTICE OF PROJECT
LOWER FARADAY ROAD REHABILITATION**

The Township of Faraday is planning to rehabilitate Lower Faraday Road south for an approximate length of 3.5km during the summer and fall of 2018. Under the Municipal Class Environmental Assessment the project is designated as a Schedule A+, and this notice has been posted as a method of public contact.

The roadway rehabilitation will include the following works:

- Removal of existing bituminous material and placement of gravel;
- Minor grade raises and reductions;
- Intersection and entrance modifications;
- Culvert replacements.

During construction the roadway will remain open at all times but will be reduced to one lane periodically; expect minor delays. Access to all properties will be provided throughout the construction period.

The approximate timeline for the construction of this project is from September 18, 2018 to October 31, 2018.

If you are interested in receiving further information on this project, please contact the following individual:
