Addendum #2

May 15, 2019

Re: RFQR02-2019

Please find enclosed Addendum for the above noted Request for Quotation. The addendum is being issued for clarification purposes.

Question:

Can you clarify if contractors are to provide the compaction for the granular on both or just the parking lot tender?

Answer:

On the 3.3 km road project RFQR02-2019 the Township will be responsible for compaction, using an 84" compactor.

On the parking lots, RFQA01-2019, the contractors are responsible for compaction of the granular.
